Thank you for this. Some of these items I've not heard of, so I will definitely check this out. I'm beginning to wonder if we have any active administrator here at MYTHOS TOMES? It seems that most items date from 2008 or earlier, and nothing was added to the site in 2009. I've submitted three pieces of original Mythos fiction, but as far as I can tell no one in authority has made them accessible to the visitors and members here. I'm curious as to who, if anyone, is in charge here?

It's probably just a rumor but I heard that HIMEOBS is in charge here.
